Dear Member,

The coronavirus (COVID-19) has been the topic of every news outlet for the past several weeks. There are a lot of unknowns and we imagine this might be on your mind.

We want to assure you HCCU is paying close attention to the situation. Your safety, the safety of our employees, and that of our community is our top priority.

Here's what HCCU is doing now to stay informed and minimize risk:

- Our senior team is monitoring the situation and keeping a close eye on government recommendations.
- In the event of a local outbreak, we have a plan in place to ensure you have access to your account.
- We have implemented recommended cleaning and disinfecting precautions at our branches.

At this point, all services and hours remain the same

What can you do?

- Ensure you have access to Online & Mobile Services or use of our Telephone Teller when internet is not available.
- Continue to monitor our website and Facebook pages for service updates.

If you need to set up online or mobile services, click here to fill out the service form and return to either of our branch locations to finalize set up: 

For use and instruction to access your account via "Telephone Teller" click here: 

Call with any questions or concerns. We're here to help.
