

Earn While You Learn

HCCU HURRICANE BRANCH

Earn While you Learn

Hayward Community Credit Union offers a unique opportunity to students who plan to pursue higher education after graduation.

For every hour worked at our Hayward High School Branch, you earn \$15 towards scholarship funds.

Plus, you learn a new skill that looks great on a resume!

Is This For You?

We are looking for a student(s) interested in building their portfolio while delivering a high level of Member Service.

Take the opportunity to learn about a financial institution while setting up a scholarship for your future education or a cash payout if you are joining any of the US Services after graduation.

Support the Credit Union philosophy of “People Helping People” by being part of our team.

What is Required?

- Must maintain grades at or above a B-
- Available to work Tuesday & Thursday mornings and lunch hours
- Responsible for a cash drawer, balancing and financial transactions
- Adhere to strict confidentiality
- Learn and follow HCCU policies and procedures
- Study and pass all training courses for state and federal regulatory guidelines
- Get creative and help promote the school branch
- Be a sophomore, junior or senior grade level in the Hayward High School
